He s sworn off relationships for good, preferring the company of online friends he s never met, his only connections made through the internet. So when Destiny falls into his arms-literally-he lets her go. Love has no place in his life plan. Destiny D argo has no plans. No goal, no future aspirations. Just wing it. Her graphic design business pays the bills-barely-and her part-time waitress job fulfills her minimal need for personal interaction. She has no use for schedules or commitments, especially to a guy who happened to make a lucky catch. So why can t she stop thinking about Kurt? Their paths intersect again and again, and they can t keep their hands off each other. Neither one of them wants this, but fate doesn t seem to care. Can a free-spirited artist make a real connection with a structured computer genius? Or are they doomed from the start?.
