GEOMETRIC QUANTIZATION AND QUANTUM MECHANICS

Book Condition: New. Publisher/Verlag: Springer, Berlin | This book contains a revised and expanded version of the lecture notes of two seminar series given during the academic year 1976/77 at the Department of Mathematics and Statistics of the University of Calgary, and in the summer of 1978 at the Institute of Theoretical Physics of the Technical University Clausthal. The aim of the seminars was to present geometric quantization from the point of view of its applications to quantum mechanics,...

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Without doubt, this is the very best operated by any publisher. Indeed, it can be enjoyed, nevertheless an amazing and interesting literature. You may like how the writer composed this pdf.

-- **Toni Bechtelar**

This is actually the finest ebook I have got to study till now. I actually have gone through and that I am sure that I am going to likely to read once again once again later on. It has been developed in an extremely straightforward way and is particularly simple soon after I finished reading through this ebook through which actually modified me, change the way I really believe.
