Fighting the urge and yearning for Tristan Black is a feat she fears may not be possible, but still, she tries. Tristan Black, on the other hand, has other things on his mind, like staging a murder for Abby so she can move on with her new life. It is a grueling task that he and his cousins, Omar and Neo, are eager to do, especially when they get to taste the blood of her bullies in the process. Bell Haven, Bites, Vol. 2, of the Bell Haven series picks up with Abby s new life and her struggles to accept what she has become, a vampire with an eternity to regret becoming one.
