*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Hollow-Tile House: A Book Wherein the Reader Is Introduced to Hollow-Tile, in the Making, Is Told How It Is Wrought Into Houses, and Is Shown How These Houses Look and From What Foreign Ancestry Their Appearance, Is an Heritage, Its Key-Note Is Tuned to the Concert-Pitch Of The history of hollow-tile speeds along like moving pictures and to-day s news is but the foundation for tomorrow s forward progress. The field was well-nigh untrodden, when I set forth upon its exploration and in its trackless ways, my feet have led me over deserts as well as lands of promise. When my articles appeared in Architecture and Building they were often valuable as a means of stating that which I sought to prove, and of recalling later what part of it I found to be unprofitable, but at the end of some of these early statements I now may write, Quod erat demonstrandum. These I have collected in the following pages which I humbly submit to you in the selfish hope that tile s swift progress may not outstrip its printing press and antiquate its new-born chronicle. I wish to acknowledge my indebtedness to those good friends who have aided me with picture and experience in this story of a material to which they all are partisan. In particular, I thank my partners, past and present, whose drawings and pictures, collected the world over, have furnished the high lights for the illustrations. Then, too, there are manufacturers, Fiske Company and the National Fire-proofing Company, who have lent photographs in the same spirit of public education which marks their business policy. Publications like Concrete-Cement Age, the...
