PCG Legacy. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. A Noble Quest: Cultivating Spirituality in Catholic Adolescents addresses adolescent spirituality and explores and explains the various approaches and methods that can be successfully implemented to cultivate holistic Christian spirituality in Catholic teenagers. The book is chalked full of practical examples and suggestions, ministry strategies, and pastoral activities that will engage the reader toward integrating them with their own teenage son or daughter, as well as in their parish. Although the book is written for those who work directly with young people--youth ministers, D. R. E. s, high school campus ministers, theology teachers, and coaches--the book is an excellent resource for anyone who stands by, for, and with young people: bishops, priests, deacons, lay ministers, parents, catechists, and volunteer youth leaders. The book will engage and encourage the reader on his/her own spiritual journey and can be enjoyed individually and used in small faith sharing church groups, as well. The book does not try to re-invent the wheel, but instead provides pragmatic ways for youth workers and parents to foster a richer and more meaningful interior life within young people. It utilizes the already fertile tradition of the Christian heritage to empower Catholic adolescents in their quest for becoming more spiritual. The bulk of the book is six chapters not including a brief forward, introduction, and conclusion, which all merit reading. The Forward is written by Dr. Robert J. McCarty, the Executive Director of the National Federation for Catholic Youth Ministry (Washington, DC). He discusses the importance of adolescent spirituality to American teenage culture today and the impact that spirituality has upon Church as a whole. He ends with a set of ministry challenges for Catholic youth ministry in the United States. The book's Introduction, there...
