AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.TURIYA: A Collection of Wordizms is a work of art that mixes media in the written and visual form. Turiya is the 4th and highest level of human consciousness one can obtain. When you reach Turiya you have the ability to take an ideal for its true value without attaching it to anything else. The ideal stands alone. The tag line is Have You Been Here Before? TURIYA: A Collection of Wordizms not only makes a strong presentation but it also makes a statement about just how far we have come as a community of color in America. Each page of this book was carefully conceived to illustrate the writer's point of view. The book is separated into two sections 1. Heads of Lettuce Speak 2. Ears of Corn Hear This. The first section is short stories. The second section is poetry. The poems are universal and deal with issues that all human beings face despite their origins. The artwork for each section cover page uses Adinkra symbols that have powerful meanings. There are also photos and sketches included throughout the book. They say a picture is worth a thousand words. Two of the sketches in particular may be thought controversial. That's why they are in the book! For example, did you know that what we know as the swastika was the original form of the cross preceding the ankh? The short stories are written from an African American point of view and to be even more specific from a southern black woman's point of view. Most of the short stories in this work of art deal with issues blacks in America have faced...
