

## Fit To Proceed. An Educational Workbook on Competency to Stand Trial

By Shahla Gorovoy Lcsw

Outskirts Press. Paperback. Book Condition: New. Paperback. 20 pages. Dimensions: 10.7in. x 8.6in. x 0.3in. Competency to Stand Trial is the most expensive treatment in the field of forensic psychiatry with an estimated of over 25, 000 defendants going through this process annually. The restoration to competency is a multifaceted process which in most cases requires medication treatment in conjunction with psycho-educational interventions. In spite of tremendous advances that target active symptoms of psychosis in this class of defendants, until now, not much was done in creating an educational tool to address the educational aspect of this process. Fit to Proceed. . . . is the first in its kind that emphasizes the importance of a structured psycho-educational tool for the individuals going through this forensic process. This workbook was long overdue. - Dr. K. Saha This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
