SCREWTAPE S MASTER PLAN: A SATIRICAL TAKE ON CHRISTIANITY AND CULTURE (PAPERBACK)

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: He s baaack! That infernal demon, Screwtape, from C. S. Lewis s classic book, The Screwtape Letters, has returned. Screwtape is armed with a Master Plan designed to acidify and ultimately destroy the cultural tapestries of a critical region of the world and the humans therein. In a series of lectures delivered to a legion of demons, Screwtape highlights key principles and tactics for twisting human thinking and behavior in the areas of materialism, sexuality, intergroup relationships, self-actualization, work and vocation, and understandings of Jesus. Screwtape s ultimate objective is to snuff out God s light in the region by encouraging Christians to assimilate to prevailing cultural norms or withdraw into their own cultural bubbles rather than faithfully integrate into the cultures around them. Through a process known as the Amishification of the Church, Screwtape expects the Christian church to become a minor backwater institution in the region by the end of the twenty-first century. Endorsement: By redeploying C. S. Lewis s Screwtape character in a contemporary context, Anderton reminds us that the subliminal battle to undermine God s plan for humanity is still raging. S. Lewis, Anderton shows us why the church in the U.S. is having only marginal influence on our culture. As I read, I repented of my complacency and resolved to engage my world with greater humility, intentionality, and grace. --Lou Soiles, Associate Pastor, Trinitarian Congregational Church Anderton s concept of swollenness and segmentation provokes new thought and...
