*Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Where Were You Jesus?, Richard Magee, In Where were you Jesus? Richard Magee takes the reader along a journey of the descent into and the coming to terms with a life affected by schizophrenia. As a promising student the author approaches his late teens with optimism until dark periods encroach upon his daily life. As these periods increased in frequency and strength Richard gradually loses the ability to cope until, finally, feeling vulnerable in America, Richard returns home to Ireland only to be diagnosed with schizophrenia. From that point on he describes how the condition and the drugs used to combat it (not too effective in the early 90s) affected his ability to function and his overall health. He describes how the system tried to help him find work so that he could have some semblance of normality and a diversion from his thoughts. Written in an engaging and honest style this work may help others who are in some way afflicted by this serious condition.
