THE ADVENTURES OF PETER PAN

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Peter Pan is the timeless classic everyone has grown up to. It has been passed down from generation to generation but it all started with one man, J. M. Barrie. Barrie made sure that this story would be appropriate for all ages. Some of the language might be a bit difficult for the youngest range but the context helps to figure out a funny word or two. It appeals to the older range because of the layers it conceals. Behind each game they play is a message. Hidden under each smile Wendy gives to Peter is her hidden kiss. However, this story relates mostly to teenagers as they are going through the stage of growing up. The Disney movies about Peter Pan have tried hard to incorporate everything from the book, but they didnt get every meaning or all the symbolism. For example, Mrs. Darling and Wendy Darling both have a hidden kiss. This kiss is hidden under the right hand corner of their mouths and only their true love can find it. Because Mr. Darling cant find Mrs. Darlings kiss, perhaps Barrie is trying to say that although she loves Mr. Darling dearly, he isnt her true love. Barrie fills his book with the perfect amount of detail. Children dont get bored because there is too much and adults dont need any more. At one point in the story, Barrie writes about the adventures at the lagoon. If you shut your eyes and are a lucky one, you may see at times a shapeless pool of lovely pale colors suspended in the darkness; then if you squeeze your eyes tighter, the pool begins to take shape, and...
