The system keeping the creatures in their habitats is broken, and soon Wilona Bumbridge and her fellow castaways find themselves surrounded by monsters-but only time will tell if the monsters from this alien world are more dangerous than the ones lurking inside themselves. As children begin to go missing and the ghosts that haunt this two-sunned planet appear, Wilona realizes that Dart s worst secrets are yet to be revealed. Will she be the next to die? Will the Riclon, the guardians of Dart, return the planet to order before it s too late? For Wilona, only one thing is certain: when it comes to the choice to surrender or fight, she will fight.
