Excel 2013 for Biological and Life Sciences Statistics: A Guide to Solving Practical Problems

By Thomas J. Quirk, Meghan Quirk, Howard F. Horton

Springer International Publishing AG. Paperback. Book Condition: new. BRAND NEW, Excel 2013 for Biological and Life Sciences Statistics: A Guide to Solving Practical Problems, Thomas J. Quirk, Meghan Quirk, Howard F. Horton, This is the first book to show the capabilities of Microsoft Excel to teach biological and life sciences statistics effectively. It is a step-by-step exercise-driven guide for students and practitioners who need to master Excel to solve practical science problems. If understanding statistics isn't your strongest suit, you are not especially mathematically-inclined, or if you are wary of computers, this is the right book for you. Excel, a widely available computer program for students and managers, is also an effective teaching and learning tool for quantitative analyses in science courses. Its powerful computational ability and graphical functions make learning statistics much easier than in years past. However, Excel 2013 for Biological and Life Sciences Statistics: A Guide to Solving Practical Problems is the first book to capitalize on these improvements by teaching students and managers how to apply Excel to statistical techniques necessary in their courses and work. Each chapter explains statistical formulas and directs the reader to use Excel commands to solve specific, easy-to-understand science problems. Practice...
