The plot is completely based on the Bible, without altering or omitting any essential part of it. Therefore all the characters and events are as in the original Book of Genesis. The poem is divided into twelve chapters, which reveal the principal epochs described in Genesis, beginning with Adam and Eve and the Creation of the World, and ending with the death of Israel and the death of Joseph. The form of a verse will let the readers go through the descriptions of the main world famous events and phenomena (the Flood, the Tower of Babel, the destruction of Sodom and Gomorra and so on) without stumbling on the difficulties of the authentic text. The poem will make it easier to perceive and memorize the text of the Bible, which is especially useful for schoolchildren and teachers, who can adopt the poem for songs and stage performances.
