Helter Skelter Ltd, United Kingdom, 2005. Soft Cover. Book Condition: New. The Sex Pistols remain the key iconoclasts of the punk movement, and from the moment they were seen swearing on national TV, they became tabloid pariahs, and Rotten and Vicious became notorious household names. This semi-fictionalized fly-on-the-wall account focuses on the band's early days when they were a bunch of rock-obsessed street urchins and petty crooks, rehearsing, bickering, fighting and hanging around Malcolm McLaren's shop SEX. Captures the true chaotic spirit of punk.
