This book is part of a series that forms an expertly structured and comprehensive method of studying acoustic guitar; it has been compiled by the Registry Of Guitar Tutors -- the world's leading authority on guitar education. The book is very user-friendly as it is written in easy-to-read TAB, as well as traditional notation, and it comes with a free 18-track CD so you can 'listen and learn'. This book covers all the material needed for the RGT Grade Seven examination in acoustic guitar playing, enabling you to study for an internationally recognised qualification. This volume includes fingerstyle/flatpick pieces in a range of styles -- from traditional to contemporary, plus a valuable selection of chords, scales and arpeggios. There are also chapters on musical knowledge and accompaniment playing, plus aural exercises to help improve your musical abilities -- making it ideal for those who wish to improve their playing to a high level and extend their musical range and knowledge. The book is cleverly designed so that it can be used by both fingerstyle and plectrum players.
