Brand New Book ***** Print on Demand *****.Another hugely informative hypnosis book from Steve Leap. Anyone can learn to hypnotise others and anyone can be hypnotised. If you are familiar with other books Steve has written then by now you will not only be able to hypnotize people, but also you will have a good understanding of how and why the hypnotic phenomena occurs. Now he takes you on a journey into the impressive world of instant and rapid hypnosis. Using the techniques in this book will enable you to hypnotize people in seconds. Also learn how to use your introductions and suggestibility tests to turn anyone into the perfect subject for hypnosis in seconds. Includes full colour illustrations to aid in the set up and execution of the inductions. In this book find out how to do all this: Creating the right setting both physically and mentally. Using your introduction to turn anyone into a good candidate for hypnosis Using fun suggestibility exercises to prime your potential subjects Turn your introduction and tests into actual inductions Carry out an induction in less than two seconds!! Use intense rapid deepener s. And have people deeply hypnotized in just a few minutes Learn the super deepener to ensure success every time In keeping with the subject matter this is a fast paced and to the point read. Very detailed yet concise and compact. It only takes a couple of hours to read and as soon as you do you will be more than adequately equipped to use the information out there in the real world If you want to hypnotise anyone in seconds even total strangers this book is definitely a must read.
